Needham Unplugged

No Homework and No Meeting Night
Thursday, March 12, 2015

On Thursday, March 12th, the Needham community will honor the no-homework, no-sports, and no-activities night for all Needham Public School students. In addition, there will be no town-related meetings and virtually no community, school, or religious meetings held on that night. Parents can play their part on March 13th by getting home from work no later than dinnertime, canceling/rescheduling any night meetings, and thinking about making this night a special time for the entire family.
